

## Will & Trusts: Planning for You and Your Family's Future

### HAVE YOU THOUGHT ABOUT...

- Where will my **CHILDREN** go if something happens to me; can the state decide if I have not made legal arrangements?
- What will happen to my **MONEY, ASSETS, RETIREMENT, & PROPERTY?**
- How do I keep my **EX-SPOUSE** from claiming and spending my money, assets, retirement, & property upon my death?
- Will there still be money for my children/grandchildren's **COLLEGE?**
- Will my **SPOUSE** be taken care of and provided for?
- If I am in the hospital and unable to make **DECISIONS** for myself, who makes them?
- What is the difference between a **WILL & TRUST**, and which one is right for me?
